

15 February 2008
 THE HARRIS POLL GLOBAL OMNIBUS
 J6769 FEBRUARY PAN EURO 2008
 HARRIS INTERACTIVE
 A410 FT - ENERGY SUPPLIERS
 FIELD PERIOD: 30th JANUARY - 1st FEBRUARY 2008

Page Table Title

1	6	Q2000 If the election for President of the United States were held today, for whom would you be most likely to vote? This Question Was Weighted To The General Population
2	12	Q1900 How reliable or unreliable do you regard Russia as an energy supplier? This Question Was Weighted To The General Population
3	18	Q1905 How much would you like or dislike buying your household gas and/ or electricity from a Russian-owned company? This Question Was Weighted To The General Population
4	24	Q1910 How much do you favor or oppose Russian companies in making investments in the U.S.? This Question Was Weighted To The General Population
5	30	Q1915 Do you regard Russia as more of a friend or more of a foe? This Question Was Weighted To The General Population
6	36	Q1917 Who in your household is responsible for paying your household energy bills? This Question Was Weighted To The General Population
7	42	Q1920 How much of an increase would you be willing to pay at the most for energy if it were from renewable resources? This Question Was Weighted To The General Population
8	48	Q1925 The European Commission estimates it would cost each household an extra \$220 on a monthly basis on gas and electricity bills to cut green house emissions and get more renewable energy. Given the choice, how likely would you be to pay this extra \$220 per month? This Question Was Weighted To The General Population
9	54	Q1930 How much do you favor or oppose building new nuclear power plants in the U.S.? This Question Was Weighted To The General Population
10	60	Q1935 How much do you favor or oppose a large increase in the number of wind farms in the U.S.? This Question Was Weighted To The General Population
11	66	Q1940 How much do you favor or oppose a higher tax on higher carbon emission cars? This Question Was Weighted To The General Population
12	72	Q1941 How much do you favor or oppose a lower tax on lower carbon emission cars? This Question Was Weighted To The General Population
13	78	Q1945 How much do you favor or oppose a financial subsidy by the government of the U.S. for bio-fuels? This Question Was Weighted To The General Population
14	84	Q1946 How much do you favor or oppose a financial subsidy by the government of the U.S. for the development of nuclear power? This Question Was Weighted To The General Population
15	90	Q1950 Which one, if any, of the following countries do you think is the greatest threat to global stability? This Question Was Weighted To The General Population
16	91	This Question Was Weighted To The General Population Analysis of Sample - United States
18	92	CLASSIFICATION TABLES - UNITED STATES (DEMOGRAPHIC)
20	93	WEIGHTING VARIABLES - UNITED STATES

Q2000 If the election for President of the United States were held today, for whom would you be most likely to vote?
