 FIELD PERIOD: 8th JANUARY - 9th JANUARY 2009

Page Table Title

1	1	Q1405 Moving onto a different international topic... On January 20th Barack Obama will begin his Presidency. Which one of the following issues do you believe should be at the top of President Obama's list of priorities in international policy? This Question Was Weighted To The General Population
2	2	Q1415 Should President Obama send more US troops into Afghanistan this year? This Question Was Weighted To The General Population
3	3	Q1420 The Bush presidency was dominated by what the former President called the 'war on terror', specifically the threat posed by al Qaeda and international terrorism. How much emphasis should President Obamanow place on the threat posed by al Qaeda and international terrorism? This Question Was Weighted To The General Population
4	4	Q1425 Overall, how much of a positive or negative impact do you think that President Obama will have on the course of international events? This Question Was Weighted To The General Population
5	5	Q1430 How far should President Obama go to establish a better working relationship with Russia's leaders? This Question Was Weighted To The General Population
6	6	Q1435 As you may be aware, for the last 60 years, the United Nations Security Council has had five permanent members - Britain, France, Russia, China and the US. Do you believe the time has now come for Britain and France to give up their seats, replacing them with a single European Union seat? This Question Was Weighted To The General Population
7	7	Q1440 The major countries of the West want Iran to stop producing a nuclear weapon. Do you believe that President Obama should personally meet leading figures in the Iranian government to try and persuade them to stop doing this? This Question Was Weighted To The General Population
8	8	Q1445 The world is currently in the middle of a major economic crisis. Do you think that President Obama is more likely to respond by...? This Question Was Weighted To The General Population
9	9	Q1446 How concerned are you that President Obama's lack of experience may hinder the economic recovery effort in the US? This Question Was Weighted To The General Population
10	10	Q1447 How concerned are you that President Obama's lack of experience may hinder the economic recovery effort in Europe? This Question Was Weighted To The General Population
11	11	Q1455 How much would you support or oppose President Obama continuing the embargo on Cuba? This Question Was Weighted To The General Population
12	12	Q1460 Which one, if any, of the following countries do you think is the greatest threat to global stability? This Question Was Weighted To The General Population
