

# 2011 AutoTECHCAST<sup>SM</sup> U.S. Featured Technologies List

## Entertainment

- HD-Radio Receiver
- MP3/iPod Audio System Interface
- Music Storage System
- On-board Tablet Computer
- Rear-Seat Entertainment System
- Satellite Radio
- Vehicle Internet Connectivity

## Exterior Comfort and Convenience

- Advanced Windshield Washing System
- AquaBlade
- Capless Fueling System
- Hands-Free Door Opening
- Rain Sensor and Automatic Wipers

## Glass

- Automatic Window Tinting
- Panoramic Sunroof

## Intelligent Sensing

- Adaptive Cruise Control
- Back-Up Camera
- Back-Up Warning System
- Blind Spot and Cross Traffic Detection and Warning
- Driver Recognition System
- Night Vision System
- Parking Assist System

## Interior Comfort and Convenience

- Air Purifier/Deodorizer
- Auto Defog/Demist System
- Color Head-Up Display
- Cordless Charging System
- Customizable Instrument Panel
- Enhanced Color Display
- Multi-Zone Climate Control
- Voice Activated Controls and Features

## Lighting

- Adaptive Headlamps
- Adaptive Rear Brake Lights
- Ambient Interior Lighting
- LED Rear Lighting

## Powertrain and Alternative Fuels

- All-Wheel Drive
- Clean Diesel Engine
- Compressed Natural Gas (CNG) Engine
- ECO Drive Assistant
- Electronic Limited Slip Differential
- Flexible Fuel Vehicle
- Fuel Cell Engine
- Hybrid Electric Engine
- Plug-In Hybrid Engine
- Pure Electric Engine
- Start-Stop System

## Safety

- Active Force Feedback Pedal
- Drowsy Driver Detection
- Emergency Front Collision Warning
- Forward Collision Alert
- Lane-Departure Warning
- Passive Entry and Start
- Pedestrian Sensing and Protection System
- Rollover Protection
- Trailer Stability Assist
- Vehicle to Driver Communication System

## Telematics

- Cell Phone Blocker
- Embedded Applications (Internet/Mobile)
- Geo-Fencing Monitoring System
- Navigation System (built-in system)
- Personal Assistance Service
- Text to Speech And Speech to Text
- Traffic Laws Reminder
- Vehicle-to-Vehicle Communication
